Welcome to Bridgnorth Medical Practice.

In this 'New Patient' pack you will find all the information you require to register with our Practice.

Registration Form and New Patient Health Questionnaire

It is important that you give all the information requested on these forms as they will be used to obtain your Medical Record from your previous practice and to provide us with a brief health summary whilst this is being processed.

 Summary Care Record Consent and Text Messaging Consent

The Practice uses a reminder text messaging service, if you would like to be notified by text message of your upcoming appointments and reminders please fill in the consent on page 7 and provide your most up to date mobile phone number.

Please **DO NOT** use shared mobile phone numbers for this service.

If you are a Carer or look after someone, please see our website OR ask at Reception for a Carers Pack.

As part of the registration process, you will be allocated a named, accountable GP. If you wish to know the name of your named GP, please ask when you are next in contact with the Practice.

If you are not sure if you have completed your forms correctly, please ask a Receptionist for assistance.

Appointments

Appointments can be booked by contacting the Practice on **01746 767121**. You can also book your own **routine GP appointments** online, see 'Registering for Online Services.'

Cancelling an appointment

To cancel an appointment - please contact our cancellation line on **01746 762330**. Alternatively you can cancel appointments online if you are registered for online services.

Home Visits

Please try to contact the Practice **before 10:30am** should you require a home visit. Home visits are only provided to those patients who are unable to attend the Surgery due to their medical condition – we do not provide home visits if you have difficulty with transport.

Repeat Prescriptions

Please bring your repeat re-order form with you if you require medication, as we may not have received your records from your previous practice.

All repeat medication can be ordered by using our Online Services or via Prescription Ordering Direct (POD) on 0333 358 3509 or by putting your form in the red box in the main entrance to the Practice.

The Practice does **not** take medication requests over the telephone.

Registering for Online Services

You can register for Online Services, (book your own Routine GP appointments, order your own Prescriptions & view your **coded** Medical Record). Please ask at reception for an Online Services registration form and information booklet.

Photo & Address Identification is required.

Improving Access for Patients

Our Practice endeavours to give everyone equal access to our Services – ways in which we are trying to help include; lift access to upper floors, a hearing loop and audible calling. If we are not addressing any special accessibility or communication needs that you may have, please inform Reception.

When the Surgery is CLOSED:

For advice, call NHS 111 or visit one of the local pharmacies.

If you need urgent medical attention that will not wait until the surgery is next

open, telephone Shropdoc on 0333 222 66 55

REMEMBER: In an emergency, please call 999

Alternatively you can call the Urgent Care Centre on 01743 261180

Why does the Receptionist need to ask what's wrong with me?

It is not a case of the Receptionists being noseey!

The Reception staff are members of the Practice team and it has been agreed by the GPs that they should ask patients 'why they need to be seen'. Reception staff are trained to ask certain questions in order to ensure that you receive the most appropriate medical care, from the most appropriate Health Care Professional, at the most appropriate time.

Receptionists are asked by the GPs to collect brief information from patients to help Doctors prioritise home visits and phone calls.

Reception staff are bound by confidentiality rules like all members of the team. Any information given by you is treated strictly confidentially. The Practice would take any breach of confidentiality very seriously and deal with this accordingly. You can ask to speak to a receptionist in private, away from Reception. However, if you feel an issue is very private and you do not wish to say what this is, then this will be respected.

ZERO TOLERANCE

Our aim is to be as polite and as helpful as possible to **all** patients. However, aggressive and threatening behaviour towards Practice staff will **not** be tolerated under **any** circumstances.

Patients who are disrespectful may be removed from our patient list.

Our staff are here to help you, so please help us to help you.

Comments, Compliments and Complaints: We are always looking at ways to improve our service and ensure that you have the best experience with the NHS. You can help us by telling us what you think of the services delivered by Bridgnorth Medical Practice. A guide to giving your feedback is available on our website or from Reception.

Clinics

NHS Health Checks - Are you 40-74?

Patients aged 40-74 years of age, who do not have a pre-existing diagnosis of heart disease, stroke, diabetes, chronic kidney disease or high blood pressure, are entitled to a NHS Health Check every 5 years. If you would like a Health Check, please ask a receptionist to make you an appropriate appointment.

75+ Year Old Health Checks

If you are 75 years and over you are entitled to an over 75 Health Check provided by the Practice. If you would like an over 75 Health Check, please ask a receptionist to make you an appropriate appointment.

Help to Quit/Help to Slim

The Help to Quit/Help to Slim service is for patients wishing to stop smoking or lose weight. If you are interested in quitting smoking or losing weight, but need a little help doing so, contact the Practice to book an appointment with our Help to Quit/Help to Slim advisor.

Summary Care Record

SCR is an NHS electronic record of important patient information, created from GP records. It can be seen and used by authorised NHS staff in other areas of the health and care system involved in patients' direct care.

Access to SCR information means that care in other systems is safer, reducing risk of prescribing errors. It also helps avoid delays to urgent care.

You can find further information at:

<https://digital.nhs.uk/summary-care-records/patients>

The minimum SCR holds important information about:

- Current medication
- Allergies and previous reactions to medications
- Name, Address, Date of Birth and NHS number of patient

Please tick if you are **over 16 years of age** and do **NOT** wish to have a SCR
